

Dear Sir/Madam

We all are presently fighting the war against Covid-19, the Corona Pandemic which has affected lives of all i.e. whether you are a Doctor, Police, Service Personnel, Businessman, Senior Citizen, Student or House wife.

On the backdrop of Covid-19, the most important thing that everyone is desired to put emphasis on is Disinfection and Sanitization. It is going to take some time to get over this pandemic and during this period we need adopt ways to handle it smartly. We need to do regular Sanitization as a way of life and looking at the intensity of this pandemic it may be needed to follow this very aggressively for the next 6 months or even more.

So, we at 'NCHPS' looking at the need of the hour have come up with unique solution of 'Sanitization Services' at the most economical rates (At cost basis) for the citizens. Please avail these services for your homes, housing societies or work places and secure good healthy atmosphere for the entire society.

We assure you that we use all approved chemicals and take enough precautions while providing our services.
